ALTON, ILLINOIS

The city of Alton was founded in 1815 by Colonel Rufus Easton. During the 1830's, it was a busy river port. Alton has changed from a commercial city to an industrial center. Alton is one of the world's leading manufacturers of glass and produces large quantities of ammunition, flour, paper, petroleum and steel products. In 1960 Alton was named one of ten All-American cities in the United States.

ADMINISTRATION

DR. J. B. JOHNSON
Superintendent of Schools

Today an education is a necessity and not a luxury. What you achieve in high school will determine your success or failure in business, industry, or college. The competition is so great that less than your best should never be considered. Your success and the future of our great country depend on your achievement, attitude and interest.

You, along with thousands of other young men and women now in high school and college, will be the future leaders in local, state, and national affairs. Most of you have the ability to succeed. All you need to add is *desire* and *hard work*.

ARE YOU GOING TO BE PREPARED TO ACCEPT RESPONSIBILITY?

I wish you success and happiness,

J. B. Johnson, Ed. D.

You will find that the intricate problems of becoming a high school graduate will help you to develop a firm basis for future growth and maturity. Cherish these days of opportunity and learning. They will bring you happiness throughout your life.

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum.

The pursuit of happiness is the inalienable right of every citizen of our country. Whether or not it is found depends upon our understanding. A wise man has defined it in this way: "Happiness is contentment resulting from what we are, rather than what we have."

MR. C. R. WRIGHT, Administrative Assistant in charge of Vocational Education.

As educators, we must constantly evaluate our educational programs and determine if we are meeting the needs of every student.

Board of Education

Mr. Walter B. Miller, Mr. Harold Davidson, Secretary; Mr. George A. Chandler, Mr. Robert S. Minsker, President; Dr. David E. Bear, Mr. W. H. Thomas, Mr. J. Edwin Sunderland.

Each individual life is full of hopes, desires, ambitions, frustrations, sorrows, and joys; and similarly, upon each individual at various times are bestowed experiences which make us "fortunate."

You young men and women, and thousands like you who graduate this year, can be included in this category of the fortunate.

Fortunate, indeed, because you have grown up and lived in a free society that provides for all its youth a free education over and beyond that available in any other nation.

Fortunate, indeed, that your country has out-distanced all other nations, largely as the direct result of an enlightened citizenry who enjoy advantages of a superior educational program, of which you have been a vital part the past 12 years.

Fortunate, indeed, that in our democratic society you will be afforded the opportunity to utilize the educational foundation you have acquired to the degree you wish, as a cornerstone on which to continue your education and pursue your life's work. May you be fortunate, indeed, in using that opportunity well.

It's time for another announcement.

The Alton Senior High School hopes to provide a basic curriculum for all students and a depth in content for those who are capable. The school attempts to do this through teaching the students study skills, individual responsibilities, to have an inquiring mind, and to gain satisfaction in learning as well as to gain talent for effectual human relations.

Our A.F.S. Student From Switzerland

Martin Von Kaenel

Alton High School is honored this year to have as its exchange student Martin von Kaenel from Zurich, Switzerland. Martin, who resides with Mr. and Mrs. James E. Sunderland, Sr., will remain in the United States for approximately one year, studying here at Alton High and learning our way of life.

Martin's visit to the United States is sponsored by the American Field Service. Alton High School, an active member of this program, not only receives students from other countries, but also sends many of its own students abroad. We, of Alton High, hope Martin's stay has been as enjoyable for him as it has been for us.

MARTIN VON KAENEL

Mr. Davis said I could take home a few souvenirs.

Hey Mom, guess how much a collect call to Switzerland costs.

Come out, come out . . . wherever you are.

O.K., that's two cokes out of a hundred dollar bill.

Boy, fingerprinting sure is fun!

Miss Brewster, Our Exchange Teacher From England

MISS BREWSTER

This year we are fortunate to have an exchange teacher at Alton High School—Miss Pamela Brewster. She comes to us from Torquay, England, and will remain in the United States for a year, teaching French and learning about our way of life.

While she is here under the English Speaking Union's program, we have two of our own teachers in foreign countries. We sincerely hope that Miss Brewster's year with us is enjoyable and profitable, and that in the coming years we will have more exchange teachers of the same caliber.

1967 D.A.R.
Award

LINDA LENHARDT

JAMES THEEN

The 1967 Tatler is proud to announce this year's winners of the annual DAR Good Citizen's Award: Linda Lenhardt and James Theen.

The award, sponsored by the Daughters of the American Revolution, is given to one girl and one boy of the Senior Class of the Public Senior High Schools who excel in the following qualities:

- Dependability
- Service
- Leadership
- Patriotism

To quote the Society: "The aim of this project is to pay tribute to youthful character and to call attention to those qualities which are desirable in good citizens."

Congratulations Linda and Jim on this fine honor!

Everybody always said I was backward.

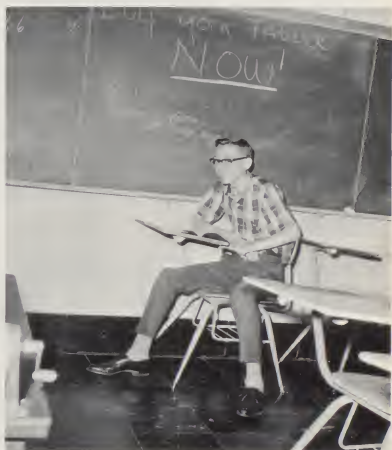

Come on, let's dance.

What does a 200 lb. Redbird say? CHIRP!!

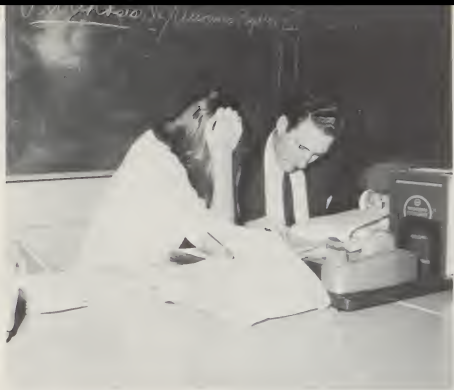

Oooh, I thought I saw a pudgy tat.

Ha ha, as soon as those Tailer kids leave I'm going to erase the board.

Uncle! Uncle!

Good news! You missed an "A" this time by only 1/10 of a point.

I wish she'd move the stupid plant out of the way.

I wonder what they find so interesting?

You're going to be sorry . . .

Gee, I wonder what that mouse is doing over there.

Women! You just can't get rid of them.

O.K., your move.

Gee, if I try real hard maybe I'll be as cool as he is.

Oooh, I feel sick.

~~~~~

I'll just fix my hair a little in case that sneaky Tatler member takes a candid of our class.

Now, if I move the white bishop over there, and the black queen over here, then maybe I'll win another trophy.

Breaking windows like this brings back childhood memories.

All you have to do is rub it three times and you get your own genie.

I wish people would quit putting bubblegum behind their ears.

And, who disguised as Rocket J. Squirrel

Tinkerbell!! Quit playing with my hair.

Wake up son, I'm trying to show you something.

Mr. Sobatta, will you *please* tell the rest of the room to hold it down so we can study?

Homeward bound

As soon as I'm finished practicing on this, I get a real cake.

It gives me such great pleasure to be able to look out into a class and see such eager little faces.

They're coming to take us away ha, ha.

The Cheerios Kid.

And if I'm elected . . .

I just saw that darling blond.

O.K., who's the wise guy who put glue on the paper?

And that cosmetic lady said Chanel No. 5 would work.

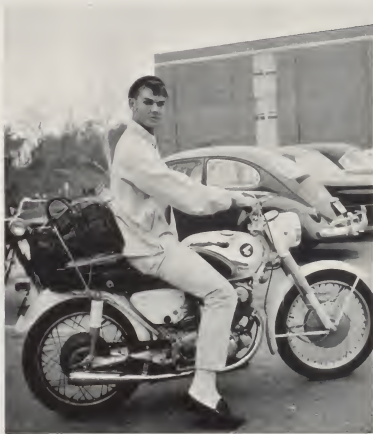

If I don't like his speech I'll just throw the ball at him.

Our side had 23% fewer cavities.

Is this where you buy your elevator passes?

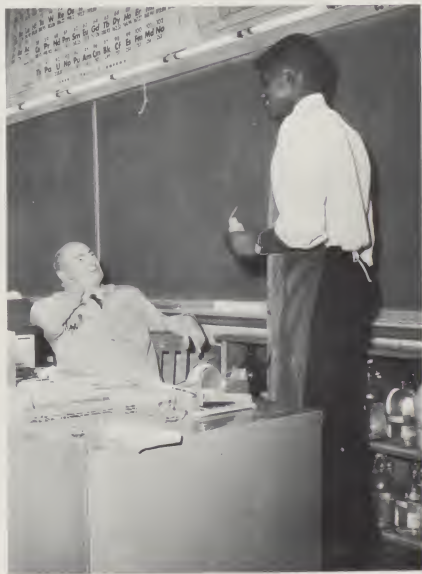

Of course it's my lunch! I'm a growing boy.

Now I know what Santa goes through!

She doesn't know it, but my great peripheral vision sees her

Look young man, if you ever squirt me in the ear again your "A" will be an "F"!

# Plain & FANCY

"Plain & Fancy" is the story of a young New Yorker and his sophisticated girl friend who drive into Amish country to sell property he has inherited but has never seen. In Bird-in-Hand they find quaint customs, stern morals, and "Pennsylvania Dutch" English. They run across a romance or two and manage to fix things up so that everybody is in love with the right party at the end.

"Scranton Sally"

"Plenty of Pennsylvania"

"Sitzing"

"It Wonders Me"

"It's rotten"

"He loves America, too!"

"How do you raise a barn?"

"Harbor Lights" was the theme for our Junior Prom. The "Beau Micks," on a dock setting, provided music. Fish nets, boat wheels, and a boardwalk carried out the theme.

The Dream Girl Coronation was announced by the Master of Ceremonies, Stephanie Hand. Miss Marilyn Doerr was escorted by Larry Franklin, Miss Beth Green by Bob Maple, Miss Marsha Long by Dale Petersen, and Miss Doris Young by Chuck Koehne. Our Dream Girl for 1966, Miss Jennifer Bailey, was crowned by Class President, Steve Drescher. After the traditional spotlight dance with her court, Jennifer rejoined her escort, Greg King.

## Baseball

The Alton High baseball team, coached by Mr. Tyler and Mr. Macias, reached the state tournament this year. After an 11-8 season the baseball team came through with clutch wins against Wood River and Roxana to win the district tournament. Their next accomplishment was beating Highland and Edwardsville, thereby winning the regional tournament. Two more victories were made over Springfield and the traditional rival, Granite City, to win the sectional tournament. Alton then won over Austin of Chicago in the first round of the state tournament at Peoria, and advanced to the semi-finals. In the semi-finals we lost to Main South, 6-8.

Alton placed two players on the all-star state tournament team—Bob Gruver, right field, and Danny Weaver, left field.

Congratulations, Coach Tyler, Coach Macias, and team, for the best performance of many seasons.

The track team opened the season with a win in the St. Louis Metro Relays. The team placed second in the Oak Park Quadrangular. In the Southwest Tri Games, Alton won the distance division in the outdoor season.

Alton's captains, Steve Currins, Glen Carroll, and Dave Wyatt proved to be a credit to the school when they all set records in the conference meet.

Alton's Steve Currins, Avery Wallace, Bill Sharp, Jim Rollins, and the mile relay team, consisting of Dave Wyatt, Richard Kidwell, Glen Carroll, and Leroy Ross, participated in the state meet. The mile relay team placed fifth in the state competition.

Mr. Matthews and the golf team made a fine showing last season. Alton placed second behind first place Belleville in the Southwest Conference meet. The best match of the season was with Collinsville, in which Alton won 240-211.

Alton's final record of 11-6 was one of which the whole school can be proud.

# Tennis

This, the second year for Coach Sterrett, proved to be a year of building and improving. With a squad heavily loaded with juniors, Coach Sterrett managed to salvage a 5-7 season. The season started slowly with losses to Edwardsville, but then the team rallied to defeat Wood River and Collinsville. Then Alton came up against the power houses of the conference, Belleville and Granite City. Alton wound up the season by splitting a series with Roxana.

Coach Sterrett should be congratulated for doing such a fine job with this determined group of young men.

Pre-game practice

Alton High's football team was on the verge of greatness all year. The final record of 4-5 is deceiving because the team played better than the record indicates.

The week-end warriors, led by all-state tackle Brian Dickerson, opened the season with a loss to Quincy in a hard-fought game. Next came victories over our cross-town rival, Marquette, and Granite City. This was followed by heart-breaking losses to St. Louis University High School and East St. Louis. Alton then journeyed to Edwardsville to defeat them at their homecoming game. Next Alton was handed losses by Belleville and surprisingly strong Collinsville. One of the most impressive games of the season followed when we defeated Wood River 47-6.

The outlook for next year is very bright, with an undefeated group of sophomores coming up to join a large squad of returning lettermen.

Coach Yonkus and the whole team should be congratulated on a rewarding season.

# Cross Country

Nearing the end of the race

This year, as in years past, Alton fielded a strong Cross-Country squad. The team was one of steady improvement. The team captains were Nick Rangel and Leroy Ross, who were returning lettermen. Other lettermen who helped lead the team to victory were Jim Fischer and Pat Wilson.

This year, as every year since 1951, our team was a state cross-country contender. Our boys took second place behind Belleville in the twenty-six team state qualifying meet held in Alton this year. In the conference meet we took third place behind Belleville and East St. Louis. At the Illinois State High School Cross-Country Meet held in Champaign, our squad placed eleventh, a definite improvement over the seventeenth place taken last year. In this meet, two of our runners, Jim Fischer and Pat Wilson, placed first and second from our district. An interesting fact is that although we were beaten by Belleville in the district meet, we came in ahead of them in the state meet, which demonstrated the capability of our team.

This year's varsity squad was backed up by a powerful sophomore team which went undefeated in the 1966 season. Three members of this squad earned letters; this in itself is quite an achievement. These boys were Charles Ross, Vernon Kidwell, and Dennis Manns. This group of hardworking runners will clearly be an asset to our Cross-Country teams in the next two years.

The 1966 Cross-Country team, coached by Mr. Wigger and Mr. Middleton, was one of which to be very proud.

# Basketball

Alton High opened the basketball season with a victory over O'Fallon at home. Their next game was at Mt. Vernon, where they were defeated by a slim six point margin. The Redbirds bounced back, however, by winning their next game over Jacksonville.

The Redbirds then took the honors in their own invitational tournament. The participating teams were Alton, Trico, Civic Memorial, and Marquette. Alton clinched the victory by defeating Trico in the final game of the tournament.

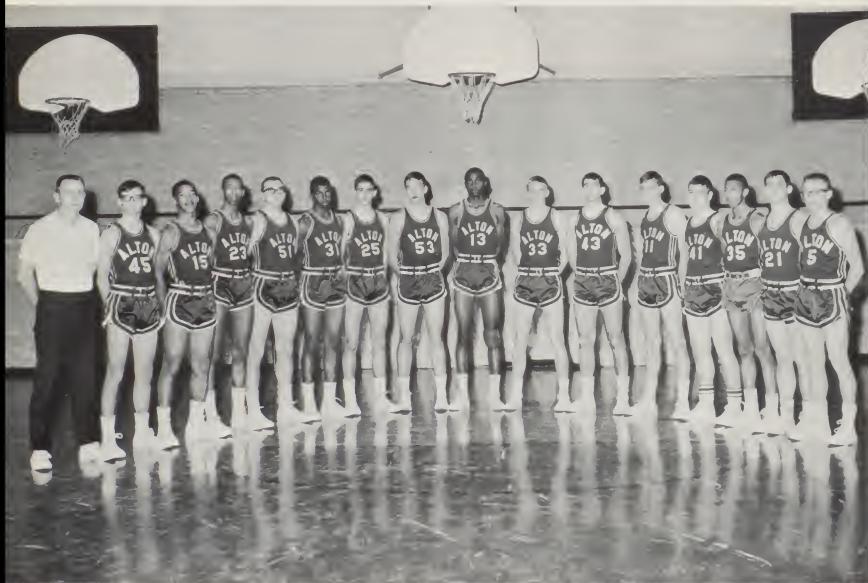

Alton lost the next game to conference foe Edwardsville, again by a slim margin. Alton then defeated Wood River by a substantial lead.

Our team then took part in the Carbondale Holiday Tournament. Alton defeated Olney in their first game; but they were eliminated, however, by Collinsville. The Redbirds then faced two tough conference foes on successive nights. They were defeated by both Collinsville and Belleville.

As of the present, Alton High's Redbird's are 1-3 in the conference and 7-5 overall, with ten games remaining.

# Cheerleaders

Alton High's cheerleaders inspired both our teams and our cheering sections and helped renew school spirit with their efforts at our games this year. Our cheerleaders were fine examples for the student body because of their enthusiasm, determination, self-sacrifice, and sportsmanship. Alton High should be proud to have these spirited girls as our representatives.

On the way to the game

VARSITY: Doris Young, Connie Volner, Jennifer Bailey, Beth Green, Robyn Reid

Help! My pencil's stabbing my arm.

Let's get this trash out of here.

John, how can you STAND to eat prunes?!

I wish she'd hold her newspaper higher so I could read it.

These chocolate flavored pencils sure do help me concentrate.

If she takes one more drink out of my soda bottle, I'll hit her right in the mouth!

Where the boys are.

Hello world!

Are you sure Paul Newman is going to speak at our G.A.A. meeting?

I always wanted to be a mad scientist.

You rang??

"The old man was in the skiff for many da-z-z-z-z-z."

Duhhhhhh!!  
Am I late?

Quincy or Bust!

That's a good "A," now let's try a "B."

Look fans, I know I'm great, but please control yourselves

Drum??? What drum!! Do *you* see a drum? I don't see a drum!

Mother, can you by any chance wash and iron my gym suit and bring it the high school before next hour?

It's about time somebody took this sign down!

Oh my toe! I stubbed by toe!!

Spider legs and lizard toes  
Mix 'em up and watch her blow.

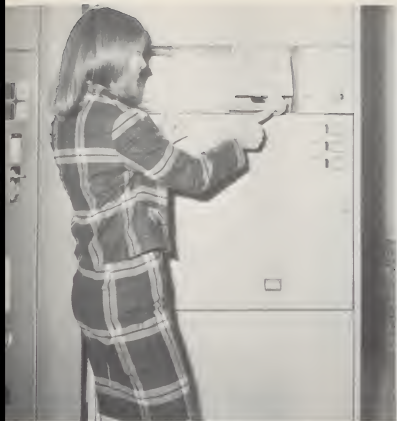

Teh, teh, wait until the teacher finds this picture we drew of her.

Gee, I feel like a chandelier.

Thank you, Thing.

Ah come on, let me out.

Your eyes are getting heavy, heavy, heavy . .

Gosh, how many slices of bread is that kid going to take?

## Editor's Message

To the students of Alton Senior High School:

The 1967 *Tatler* is your record of your years at Alton High. This book is meant to be a reminder of your accomplishments as a student body as well as your achievements and activities as individuals. You are the stars of this yearbook; you are the ones who have furnished the material for the *Tatler*; and, I hope, you will be the ones who will derive both benefit and pleasure from it.

The production of our yearbook is to the credit of the staff members who have performed their job in completing the *Tatler* without fail. To them goes my heartfelt thanks for a wonderful job. I would also like to thank Mr. Dale Livengood, our advisor, who each year devotes so much of his time to train and inspire the staff and without whom production of a *Tatler* would be impossible.
